

California Cadet Corps Sponsored Trip to Washington DC, Philadelphia, Gettysburg, PA, and More!

The California Cadet Corps announces that we are sponsoring a trip to visit the **Gettysburg National Military Park** at the former battlefield in Gettysburg, Pennsylvania, where one of the greatest battles of the American Civil War was fought over the days and nights of July

Gettysburg Battlefield - Reenactment of Pickett's Charge

2nd thru 4th, 1863. Your cadet can see where President Lincoln made the **Gettysburg Address**, and walk in the footsteps of some of our greatest Civil War leaders. We will visit the battlefield right after the 156th anniversary, and walk the field of **Pickett's Charge**, and the **Battle of Little Roundtop**, and experience history. Other points of interest on the trip will be **Washington DC, Philadelphia, and Hershey** (yes, home of chocolate!), PA, with a possible tour of the **National Fire Academy in Emmitsburg, PA**.

This trip will take place **July 17-25, 2019**, leaving out of LAX (Los Angeles International Airport). You are responsible to get to and from LAX.

Cadets must be at least 15 years old and hold the minimum rank of C/CPL, no school disciplinary issues. Age waivers may be granted depending on number of applicants and commandant support. We have a limited number of slots, and will generally take applications first come, first served. If you're interested, apply now!

Philadelphia - Liberty Bell & Independence Hall

We need a couple more chaperones - CACC adults or even parents are encouraged to apply!

Participants must be able to sleep on cots in a National Guard Armory (we'll provide cots and sleeping bags). Chaperones must be able to drive a 12-pax van.

Cost of the trip is estimated to be \$1200. Cost may vary depending on airfare and cost of rental vans. **This must be paid up front, no later than 20 May 2019.** This gets your cadet (or adult) air and ground transportation, billeting, food, and entrance into the venues we visit.

The White House - Washington DC

Don't lose the opportunity for your cadet to visit some of the most important sites of US history, learning and experiencing history where it happened!

Cadets will encounter learning opportunities in a fun environment, enjoy seeing our nation's treasures, and bond as a group.

Email your questions to Gettysburg@cacadets.org.

To register your interest, apply at www.cacadets.org/Gettysburg. Slots will fill up fast - apply today!
