  - b. Competition Briefing: Junior and Senior Divisions – 0730
  - c. Competition begins at 0800 for both Junior and Senior Division and 1200 for Junior Division.

- d. Awards Ceremony will be from 1600-1645
2. UNIFORM: All cadet uniforms will be worn strictly IAW CR 1-8. If a competitor in the State IMAs has not yet been issued a Class A or Class B uniform (black and white), they should contact the HQCACC (SFC Dionne) to resolve uniform issues prior to the day of the competition.
  - a. Junior Division cadets must have a complete Class B Uniform (black pants and white shirts).
  - b. Senior Division cadets may wear a complete Class A or Class B Uniform (black pants, white shirt, tie/neck tab and/or black coat).
3. CATEGORIES AND PARTICIPANTS: Each Brigade may bring one competitor in each of the following nine categories as defined in CR 3-4, Individual Major Awards.
  - a. Junior Division and Senior Division First Year Cadet
  - b. Junior Division and Senior Division NCO
  - c. Junior Division and Senior Division Warrant/Junior Officer
  - d. Senior Division Senior Officer
  - e. Junior Division and Senior Division Overall Cadet
4. FORMAT OF THE COMPETITION: A panel of three or more panelists will interview each cadet. The panels will be composed of personnel not directly associated with the cadets participating in the competition. The interview will consist of two parts (1) a series of questions taken from the cadet curriculum and followed by (2) a cadet delivered three-minute speech on one of the topics identified in this circular.
5. CONDUCT OF THE BOARD: The panelists will interview each cadet for a period of approximately 15 minutes. The interview will begin with a series of questions on each CACC standard followed by questions on current events. After the knowledge questions, the cadet will make a prepared 3-minute speech on one of the topics outlined in #6 below. After the speech, the board members will ask any questions they may have about the cadet's speech.
6. SPEECH TOPICS: Cadets must select from one of the following 12 topics and present a speech of no less than 2.5 minutes nor more than 3.5 minutes. Note cards will be allowed during the speech.
  - a. The California Cadet Corps includes an objective to promote academic excellence. How has the Cadet Corps helped promote your academic success? Give at least five specific examples of how the CACC has done this.

- b. Next year the United States will be electing a new President. If you were a registered voter, who would you vote for? Justify your position based upon the candidate's platform, and position on at least three issues which confront the country
- c. Mass shooting at schools, movie theaters, and clinics have become an all-too-familiar part of the news in America. Should gun control legislation be a part of the government's response to prevent these tragedies? How does this relate to the right to bear arms guaranteed in the 2<sup>nd</sup> Amendment to the US Constitution?
- d. Whether you call them ISIS, ISIL, or Daesh, Islamic extremist groups are having a profound impact on the world stage. What do you think is the appropriate US response to the threat posed by these organizations? Be specific in proposing how you think America should deal with this very real problem.
- e. Is the Affordable Healthcare Act (also referred to as "Obamacare") working? Should it be continued, revised, or repealed? Justify your position.
- f. Is the 2015 Iran nuclear agreement sufficient to prevent the proliferation of nuclear weapons in the region? Why or why not?
- g. In the current US political dialog, several candidates have suggested reforms to the US Immigration system. Which specific immigration policies do you support and why?
- h. Explain a situation where you served as a leader during a group project, an organized school project or activity, or a community service project. Explain in detail your role and how individuals responded to your leadership.
- i. Setting the example is a common expectation of leaders. Tell us about a leader that sets the example for you, about a time when you set the example for others, and what effect it had on those around you.
- j. The Cadet Corps is a leadership development program that strives to provide leadership laboratory opportunities to Cadets. Leadership, like most traits is developed through practice, and in so doing a student encounters failure more often than is comfortable. Give an example where you failed as a leader, and what you learned from that failure.
- k. To date, more than 250,000 Syrians have lost their lives and more than 11 million others have been forced from their homes as a result of civil war. Explain the current refugee crisis in Europe focusing on the arguments for accepting and denying refugees into neighboring countries.
- l. Social Media has forever changed how we live our lives; for better and for worse. More recently, social media is said to have facilitated terrorists' communications

allowing for coordinated attacks. Social Media has also been accused of being wrongfully used to identify law enforcement personnel locations, also leading to coordinated attacks. Identify your position on the future use of social media (pros/cons, costs/benefits) and support with evidence. Develop possible solutions for the problems that social media poses in regards to future security.

7. **STUDY MATERIALS:** The material from the Cadet Corps strands will be used for questions for this year's competition as outlined in CR 3-4. No other study materials will be published for this year's competition. It is recommended that competitors make particular use of the Strand/Promotion Test Study Guides published on the CACC website that correspond to the various ranks.
8. **CURRENT EVENTS QUESTIONS:** Current events questions will come from state, national and international news events. It is recommended to read the local newspaper and two national periodicals (i.e. [www.nytimes.com](http://www.nytimes.com) and [www.usnews.com](http://www.usnews.com)).
9. **AWARDS:** Medals and trophies will be awarded as outlined in CR 1-1.
