MEMORANDUM FOR RECORD all California Cadet Corps personnel and units

SUBJECT: Change #4 to CR 1-8, dated 1 December 2013.

1. Effective immediately, Cadet Regulation 1-8 is amended as follows:
 - a. Replace 10-3

10-3 Medals, Marksmanship and Special Skill Badges

- a. **Issue.** Provided by HQ, CACC as items of issue.
- b. **Special Skill Badges** are identified as Cadet Medic, Mountaineering, Cadet Drill Instructor, Cyber and Law Enforcement.
- c. **General.**
 - (1) Only medals and badges issued by HQ, CACC are authorized for wear on any uniform.
 - (2) Ribbons and their corresponding medal may not be worn concurrently.
 - (3) Medals will be worn in order of precedence as indicated in CR 1-1. The highest decorations will be worn to the wearer's right side. Marksmanship badges will be worn in lower precedence to any medals.
 - (4) A maximum of 8 medals and marksmanship badges may be worn at any time.
 - (5) All medals and badges worn on all cadet uniforms will be the bright "full-color" type and no subdued badges are authorized for wear.
- d. **Manner of wear.**
 - (1) Medals and marksmanship badges are to be worn on the left pocket flap.
 - (2) The medic, mountaineering, law enforcement and cyber badges are to be worn 1/8 of an inch above the left pocket flap and above any ribbons or honor bars. If the collar obscures a badge(s) the badge(s) may be worn so the left side of the badge(s) is flush with the left side of the ribbons or honor bars maintaining a height of 1/8 inch above each. When multiple badges are worn the manner of wear will mimic that found in DA Pam 670-1, figures 22-61, 22-62 and 22-64. When three badges are worn, which the DA Pam 670-1 does not demonstrate, the first two rows have lower precedence, lowest placed on the wearer's left with the third badge having the highest precedence and worn centered 1/8 inch above the other two badges unless worn flush on the left side of the ribbons.
 - (3) The cadet drill instructor badge is to be worn on the Class A, B and C uniform on the right pocket centered left to right and between the bottom of pocket and the bottom of the pocket flap. When worn on the Class A or B and worn in conjunction with the Brigade Affiliation Insignia it is to be worn to the left of it and both badges are centered on the pocket with 1/2 inch space between the two.
 - (4) When four or fewer medals or badges are worn, they will be worn centered in a single row, with the top edge of the medal drape(s) or qualification badge(s), 1/8 inch below the top edge of the pocket flap. A maximum of four (4) medals or badges may be worn in the first row. Additional medals may be worn below the first row. The determination of whether three or four medals will be worn in a row will be made on the basis of the coat size and what presents the best appearance.
 - (5) Up to four additional medals may be worn in the second row, for a maximum of eight decorations. Medals in the second row will be worn centered on the medals in the first row. Medals worn in the second row shall be lower in precedence to medals worn in the first row and will not exceed the number of medals worn in the first row. Medals in the second row will be worn with the top edge of the medal drape(s) , 1 inch below the top of the pocket flap.
